Policy Objective

This policy outlines what ELKOLET will do to prevent and tackle all forms of bullying. The policy has been adopted with the involvement of the whole charity community. ELKOLET is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

Statement of Intent

ELKOLET is committed to providing a caring, friendly, safe and healthy environment for all of our students so they can learn and grow in a relaxed and secure atmosphere.

All bullying, whatever the motivation or method is unacceptable and will not be tolerated at ELKOLET. If bullying does occur, all students should be able to tell and know that incidents will be dealt with promptly and effectively. This means that anyone who knows that bullying is happening is expected to tell a member of staff.

All members of ELKOLET will work together to ensure that the Anti-Bullying policy is effective.

ELKOLET's Ethos

ELKOLET's community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

By effectively preventing and tackling bullying ELKOLET can help to create a safe environment, where students are able to learn and fulfil their potential.

Our Community

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our students are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with ELKOLET to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding ELKOLET's response to bullying in line with our complaints policy
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from relevant organisations when appropriate.

Responding to Bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school.

If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.

ELKOLET will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.

The DSL will interview all parties involved.

The DSL will be informed of all bullying issues where there are safeguarding concerns.

The DSL will speak with and inform other staff members, where appropriate.

ELKOLET will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with the Safeguarding and Child Protection Policy.

Sanctions, as identified within the Behaviour Policy, and support will be implemented in consultation with all parties concerned.

If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.

Where the bullying of or by pupils takes place off-site or outside of normal school hours (including cyberbullying), ELKOLET will ensure that the concern is fully investigated. If required, the DSL will collaborate with the Commissioning School and other schools. Appropriate action will be taken, including providing support and implementing sanctions at ELKOLET in accordance with this policy and the Behaviour Policy.

A clear and precise account of bullying incidents will be recorded by ELKOLET in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying

When responding to cyberbullying concerns, ELKOLET will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the ELKOLET systems;
 - identifying and interviewing possible witnesses;
 - contacting the service provider and the police, if necessary.

ELKOLET will also work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:

- Supporting reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
- Confiscating and searching students' electronic devices, such as mobile phones, in accordance with the law and ELKOLET's searching and confiscation policy.
- Requesting the deletion of locally held content and content posted online if they contravene ELKOLET's behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.

If a criminal offence has been committed, ELKOLET, alongside the Commissioning School, will inform the police.

Information regarding steps that staff and students can take to protect themselves online will be provided. This may include:

- advising those targeted not to retaliate or reply;
- providing advice on blocking or removing people from contact lists and social media platforms;
- helping those involved to think carefully about what private information they may have in the public domain.

Supporting students

All students involved a bullying incident will be supported by Student Support, Vicky Johnson.

Students who have been bullied will be supported by:

- Reassuring the student and providing continuous pastoral support
- Offering an immediate opportunity to discuss the experience with a staff member, relevant volunteer or the designated safeguarding lead
- Being advised to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience as appropriate.
- Working towards restoring self-esteem and confidence.
- Providing ongoing support; this may include working and speaking with staff, offering formal counselling, engaging with parents/carers.

Pupils who have perpetrated bullying will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the young person.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider.
- Sanctioning, in line with the behaviour policy; this may include official warnings, placement review meetings, removal of privileges (including online access when encountering cyberbullying concerns), and fixed-term or permanent exclusions.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Children Social Work Service, or the Children and Adolescent People's Mental Health Service (CAMHS).

Supporting adults

ELKOLET takes measures to prevent and tackle bullying among students; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by students, parents or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the director.

- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
- Where the bullying takes place off-site or outside of normal hours (including online), we will still investigate the concern and ensure that appropriate action is taken in accordance with the behaviour policy.
- Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
- Reassuring and offering appropriate support. This could be through BrightExchange, a confidential mental health support service provided to ELKOLET through Peninsula.
- Working with the wider community and local/national organisations to provide further or specialist advice and guidance.

Adults who have perpetrated the bullying will be helped by:

- Discussing what happened with a senior member of staff and/or the director to establish the concern.
- Establishing whether a legitimate grievance or concern has been raised and signposting to ELKOLET's official complaints procedures.
- If online, requesting that content be removed.
- Instigating disciplinary, civil or legal action as appropriate or required.

Preventing bullying

Environment

The whole ELKOLET community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognises the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including 'banter') which does not uphold ELKOLET's values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media, positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create "safe spaces" for vulnerable children and young people e.g. student support area.
- Celebrate success and achievements to promote and build a positive charity ethos.

Policy and Support

The whole ELKOLET community will:

- Provide a range of approaches for students, staff and parents/carers to access support and report concerns.
- Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate, and reasonable action, in line with existing policies, for any bullying brought to our attention, which involves or affects students, even when they are not on-site; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

- Utilise student voice in providing student led education and support
- Publicise the details of internal support, as well as external helplines and websites.

Involvement and liaison with parents/carers

We will:

- Make sure that key information about bullying (including policies and named points of contact) is available to parents/carers in a variety of formats, including via the charity's website
- Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with ELKOLET to role model positive behaviour for students, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

Monitoring, Review, and Implementation

ELKOLET will ensure that we regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied. Any issues identified will be incorporated into the ELKOLET's action planning. The Director of Education and Family Support will be informed of all bullying concerns. The named Trustee for bullying will report on a regular basis to the trustee board on incidents of bullying, including outcomes.
